Why Economists get it (Really) Wrong:

A moderated debate between Prof. Franklin **Obeng-Odoom** (Helsinki) and Prof. Morten **Jerven** (Oslo/Bayreuth)
Moderators: Prof. Abena D. **Oduro** (University of Ghana) | Prof. Stefan **Ouma** (University of Bayreuth)

Dec. 3rd, 10am-12pm CET | Zoom

- **W**hat does a focus on “Poor Numbers” add to the debate on the malaise of Africa-focused economics and what are its limits?
- **W**hat indicators should those interested in the political economy of Africa use to make sense of economic realities and for steering societal change?
- **O**n which archive(s) of economic knowledge do we rely on when addressing these questions?
